

Here's Jonny

*Q) Why choose to go back to the very place where it all went wrong?
A) Got to make things right.*

Jonny want to fix things. Want to start again.
Need to recondition.
Jonny's going home.

*All the pretty patterns, they all swirling, swirling.
Aw such pretty patterns. They all fall down.*

Jonny making monsters. Playing with himself.
Jonny's going backwards.
Locked in his womb.

*Look see, look see.
There Daddy's face. Daddy he skin.*

Jonny he's bad. Jonny is good.
Jonny he mad.
Winking through the hood.

*Twist and knot. Daddy head fell off.
Poor fucke Daddy. He tied to Jonny's toy.*

Jonny is a joker. Jonny want to play.
Hiding and a-seeking.
Want to come again.

*All stuck together. One are two. Two are one.
Who that coming undone?*

Jonny he's a fixer. Jonny is a tease.
Jonny can't be beaten.
Boy he want to touch.

*Splitting and poking.
Shouting and choking.*

Jonny going back. Jonny giving birth.
Look Jonny pointing.
Baby he's a-showing.

*Tables set and tables turned.
Chew and spit. Suck and learn.*

Going to start over. Going to really make it happen.
Going to make a scene.
Watch out here he comes. Jonny. Man-eater.
