De Toekomst is pleased to present *You are OK*, a group exhibition of international artists' works, curated by David Lindberg, opening Thursday July 5th at the NSDM wharf of Amsterdam Noord. The exhibition will be installed in the bunker-like spaces located beneath the massive cast concrete ramp and crane formerly used to launch supertankers before the NSDM Shipyard, brought back to life through creative initiatives, seen in part in the graffiti that covers the exterior structure.

“You are OK” will feature new works by Dutch artists Sonja Doevendans, Joop Stoop, Joost van den Toorn, and international artists: Mark Rupert, (US), Alexandra Flood (CA), Mark Ross (UK), Vincent Heung (TW), Vion Pan (CN), Ali Delici (DZ), Kate Davis (UK), and David Moore (UK).
